PETITION TO WITHDRAW HOLDING OF ABANDONMENT BASED ON FAILURE TO
RECEIVE OFFICE ACTION UNDER MPEP 711.03(c) II

Prior to Jan. 24, 2001, an Office Action (Notification of Missing Requirements Under 35 U.S.C. 371) dated Nov. 8, 1999 was not received, by the undersigned attorney of record as evidenced by the enclosed copies of the attorney's docket records and file jacket.

Request is respectfully made for the PTO to withdraw the holding of abandonment dated Oct. 3, 2000 (also not previously received in the office of and by the undersigned attorney) and to remail the Office Action. (Copies of these papers were first faxed to attorney on Jan. 24, 2001 by paralegal Karen McLean at attorney's request after attorney noticed on or about Jan. 16, 2001, attorney's corresponding file as still awaiting an Office Action of Notification of Missing Requirements.)

Attorney states that the Office Action communication was not received (before being faxed Jan. 24, 2001) by the undersigned attorney and attorney attests to the fact that a search of the file jacket and docket records (copies attached as part of this

Petition and statement herein) indicate that the non-received Office communication was not received.

A copy of the docket records (attorney's office docket calendar for all due date docket entries) where the non-received Office communication would have been entered (namely on December 8, 1999) had it been received and docketed is attached herewith and referenced hereby in this statement of attorney as documentary proof of non-receipt of the Office communication.

Respectfully submitted,

Thomas Hopf et al
